## PRESENTING THE ANNUAL KODAK GALLERY AND GALLERY ELITE AWARDS.

Kodak introduced the Gallery Awards in 1985 as a way to honor and promote the importance and value of excellence in professional photography.

We have always represented quality imaging through our many products and services and will continue to work to elevate the importance of professional, quality imaging within the industry, as well as with customers. It's a connection we're pleased to make.

Therefore, we are delighted once again to salute and support outstanding professional photography and photographers by presenting our annual Gallery and Gallery Elite Awards. The Gallery Awards are judged on a state or regional basis, with winners going on to compete at the national level for a Gallery Elite Award.

Gallery Awards will be presented at your annual Professional Photographers of America (PPA) regional convention—in addition to the event's customary awards. The Gallery Elite Awards will be judged and honored at the Gallery Elite Gala held during the national PPA show, Imaging USA, in January.

Photographers will be considered for a KODAK Gallery Award in each of the following five categories:

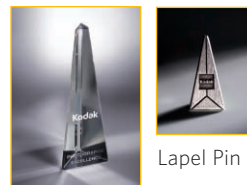

- Portrait Photography
- Wedding/Event Photography, including formal/photojournalism/event
- Wedding Album Photography
- Digital/Electronic Photography
- Commercial/Industrial/Illustrative/Unclassified/Photography
